DECEMBER 2024

# Warmest Wishes

There's a lot that makes us smile this time of year. The decorations, gatherings, and desserts, yes. But one of the things we love most is giving the perfect gift—that special, memorable, just-right-for-them present.

In that spirit, we've filled these pages with everything we love to give, guaranteed to spread joy. There are stacks of colorful cashmere (for them, and for you), bags they'll reach for every season (like our new Crawford), and accessories to brighten their outfit—if not their whole day.

And for all the events ahead—parties, getaways, even just cozying up at home—there's everything we love to wear that makes us feel our very best. So wherever, and however, you celebrate, we hope you have a wonderful season ahead.

As always, a special thanks to you for letting us be part of it all.

Wishing you and yours a happy holiday, and a wonderful new year.
